

Monterey Bay Custom One-day Photo Workshops

*Join professional wildlife
photographer Suzi Eszterhas to
shoot marine mammals, birds
and landscapes*

Highlights:

- escape to Monterey Bay for a fun and informative day photographing local wildlife
- 8 hours of Suzi's one-on-one instruction
- *private* boat charter for us and no one else (the vessel normally seats over 20 passengers)
- custom dates to suit your schedule, available year round
- Suzi's extensive knowledge of local wildlife and hot spots ensures rare opportunities for world-class photography
- suitable for all levels of nature photography, from absolute beginner to serious advanced
- one-day courses for 1-2 people (or bring one or two friends and save money)

Tour price includes:

- amazing opportunities to photograph sea otters, California sea lions, harbor seals, pelicans, egrets, seabirds, shorebirds, wildflowers, landscapes, and more
- two-hour *private* boat charter
- explore a nature preserve for more outstanding bird photography, close-ups of wild flowers and/or landscapes of one of California's last pristine wetlands
- lunch at a local restaurant
- bird and mammal species list (with scientific names)
- information package explaining the day's itinerary and what to bring
- meet at 11am (day ends at 7pm)

Price:

- price for the day (for 1-2 people) is \$1,495
- bring one or two additional people for just \$250 each

For bookings and more information, please contact Suzi at suzi@suzieszterhas.com or (831) 588-3505 or visit www.suzieszterhas.com.
